LOCAL DEPARTMENT.

Temperance Meeting.

Messrs. Editors:—The Janesville Total Abstinence League had a very spirited meeting at the Methodist Episcopal church last evening. The corresponding secretary, on behalf of the committee which had been previously appointed to take into consideration the expediency of forming a juvenile temperance society, reported that he had written to the Hon. S. D. Hastings for information in regard to the "Band of Hope." Mr. Hastings' reply was then produced and read. In an earnest, warm-hearted and characteristic manner he urged the formation of a Band of Hope in connection with our temperance movement, and the League instructed its executive committee to take the necessary steps for the formation of such an organization.

At its last meeting the League instructed its executive committee to district and canvass the city, in order to obtain signatures to the pledge; but the committee reported that they deemed it expedient to defer that measure for the present. They propose, however, to enter upon that duty before long, and it is hoped that our citizens will give the canvassers a candid and respectful hearing, even if they are not inclined to yield to their solicitations.

A spirited discussion ensued upon the following resolution:

Resolved, That the legislature ought not to authorize the granting of licenses for the sale of intoxicating liquors as a beverage.

At the height of the interest in the debate, it was announced that it had commenced raining, and the meeting adjourned for two weeks. On Monday, Sept. 10th, the discussion will be resumed, and it is hoped that there will be even a larger attendance than there was last night.

It may be stated, and not disputed, that the discussion of this and other resolutions will not be confined to the members of the League, but that all, whether sympathizing with this temperance movement or not, are invited to participate, only observing the courtesies which are appropriate to the place and the occasion. Let us then have a good turn out, and a lively discussion at the next meeting.

For the Daily Gazette.

"SEARCH THE SCRIPTURES."—Yes, ye members of the committee on resolutions, search them as long as you please, and you will find no passage like that to which you refer, when you say—"that scriptural duty which requires a woman to forsake all others and cleave to her husband alone."—This command is given to husbands. And why did you not cleave to your wives, instead of permitting them to go off alone? Please do not quote scripture without a greater familiarity with its contents. If we are wrong, please correct.

MANY WIVES.

SEATS AT THE NATIONAL HORSE SHOW.—The executive committee of the national horse show and ladies equestrian fair having examined the seats prepared inside the enclosure for the accommodation of visitors, we understand they give their opinion that these seats are safely constructed, and that no danger need be apprehended in filling them to their utmost capacity. Mr. Lovejoy has performed his work in a very creditable manner, and the proprietor has not spared expense in furnishing sufficient material of the right kind to ensure the safety of the occupants.

MEETING AT AFON.—The republican meeting at Afon at which Messrs. Sloan Cassaday are announced as speakers will be held to-morrow evening. An error occurred in the call as published yesterday, which is corrected in to-day's paper.

THE NEW YORK BARGAIN AND SALE.—The Baltimore Patriot, the Bell organ of Maryland, continues to expose day after day the infamous nature of the attempted fusion in New York, the exposures having a very disastrous effect upon the Bell interest in Maryland, especially as the country papers supporting Bell are generally taking the same view.

THE GRAND TRUNK. New York Central, New York and Erie, Pennsylvania Central and Baltimore and Ohio railroads, have recently had a convention, in which they agree upon a reduction of free passes. No passes are to be issued for the purpose of influencing business upon the road, or to editors or reporters of newspapers, except to those who reside on the line of the road, and to them trip passes only will be granted. The various ticket offices in all the large cities are to be consolidated.

LAKE FREIGHTS.—The Milwaukee Sentinel of yesterday says that freights are very unsettled, with a strong downward tendency. The highest figure paid was 15c for wheat to Buffalo in the beginning of the week. To-day vessels are offering freely at 12c to Buffalo and 18c to Oswego, but we have heard of no engagements. The rates on flour are 50c to Buffalo and 80c to Ogdensburg by water; \$1.00 by rail to New York, and \$1.15 to Boston, but they are liable to change at any time. To-day 500 bbls flour were contracted to Portland at 90c via D. M. Railway.

The price of grain will, this fall, depend very much upon the rate of freights on the lakes. It seems that within a few days it has declined, and this, in connection with a firm eastern market has caused an advance in prices of wheat.

RECEIPTS AT MILWAUKEE.—The receipts of wheat at Milwaukee last week were 155,091 bushels, against 55,985 the week previous. In 1869 it was, for the corresponding weeks, 50,284 and 14,016 bushels—quite a heavy increase.

REPUBLICAN MEETING AT AFON.—There will be a republican meeting at Afon on Wednesday evening, the 29th of August. Messrs. Cassaday and Sloan will address the people. We understand that the Wide Awakes of this city have received an invitation, and we hope they will consent to attend. Republicans and others of the vicinity are invited to be present. We hope there will be a general turn-out.

Republican Club Meeting.

Mr. Ichabod Godding of Illinois, will address the republican club on FRIDAY EVENING, Aug. 31st at the Court Room. Mr. Godding is one of the most effective speakers in the west, and is well and favorably known in this vicinity, and we bespeak for him a full house. Come one, come all, and listen to this able champion of freedom.

A CARD.

Payment of the Andrew loss at Delavan, Wis., by the Phoenix Insurance Company of Hartford.

MILWAUKEE, Wis., July 28th, 1860.

I take pleasure in stating that I have this day received from the Phoenix Insurance Company of Hartford, Conn., through the agent in this city, the sum of \$700.00, in full of the loss covered by policy issued by them to Mr. G. W. Andrews, to cover property of his situated in Delavan, Walworth county, Wisconsin, which property has since been totally destroyed by fire.

I cheerfully recommend the "Phoenix" to the patronage of this community, not only because its obligations to me have been fulfilled, but from the fact that I feel satisfied of the solvency and reliability of the institution, and I believe that in the adjustment and payment of losses its officers are disposed to act fairly and impartially, looking alike to the interests of the insured and the insured, and dealing justly by both.

I am now a "Phoenix" policy holder, and I hope I may long continue to be one, being satisfied that in this well known company I shall always find ready indemnity.

EDWARD MILLER.

Life Insurance.

Those desiring this safe and cheapest protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite all our citizens to call at the office, southwest corner of Main and Wisconsin streets, and examine for themselves.

R. S. DAGUETTE, President.

A. W. KELLISON, Secretary.

Agents, S. H. Dodge & Son, produce dealers, and Capt. Geo. S. Dodge will receive applications for insurance in this company, and will also be happy to give information as to the conditions thereof, to any one desiring to be informed, in Janesville.

GRAIN AND PRODUCE DEALERS.

JANESVILLE, AUGUST 28, 1860.

Receipts of wheat were large to-day and prices, under favorable advice from the lake shore, advanced fully 8c per bushel on all grades. Early sales ranged at 75¢ to 78¢ for common to choice samples, but about 11 o'clock, when despatches were received showing an excited market at the lake shore, buyers pitched in right smart and prices rose to 80¢ and 81¢ for common to choice samples. The market was quiet, however, less active, buyers seeming indisposed to pay more than 75¢ to 76¢ for common to best lots. About 6000 bushels changed hands at the above figures.

We make up prices as follows:

WHEAT—white winter 75¢; good to choice milling spring 76¢; common to fair shipping 74¢.

OATS—wanted at 16¢ per bushel.

CORN—shelled at 25¢ per 60 lbs. Ear 20¢ per 100 lbs.

RYE—in fair request at 37¢ per 60 lbs.

BARLEY—ranging from 25¢ to 30¢ per 60 lbs, for common to fair.

POTATOES—plenty at 20¢ per bushel.

BUTTER—rather scarce at 12¢.

EGGS—owing to a better supply have declined to 50¢ per dozen.

HIDES—green, 5 to 6¢; Dry, salted, 10¢; Dry, flint, 12 to 13¢.

POULTRY—spring at 25¢, per 100 lbs.

POULTRY—spring at 25¢, per 100 lbs.

WOOL—ranging at 25¢ to 30¢ per pound for common to best clips, with but very little coming forward.

Mr. Coddington's Appearances.

Mr. Coddington has made a number of appearances for this section of the state. He has addressed a letter to the executive committee of the Racine young men's republican club, announcing that he will address republican meetings at the following places and times in this state, and gives the assurance that he will not fail to meet his appointments:

Beloit, Wednesday,	Aug. 29.
Broadhead, Thursday,	" 30.
Janesville, Friday,	" 31.
Delavan, Tuesday,	Sept. 4.
Elkhorn, Wednesday,	" 5.
Burlington, Thursday,	" 6.
Racine, Friday,	" 7.
Kenosha, Saturday,	" 8.
Milwaukee, Monday,	" 10.
Madison, Tuesday,	" 11.

A letter has been received in this city from Mr. Coddington confirming the appointments as to Janesville. The republican city club have the matter in charge, and we presume there will be no failure in his appearance.

Our worthy associate, who took a prominent part in the "indignant husband's meeting," attempted to go to Madison after his wife on Saturday, but arrived at the depot just in time to see the receding train vanish out of his sight. He was obliged to wait till to-day, and to make sure of the train he went up the depot two hours ahead of the time. He left in a very excited state of mind, and it is possible he may be disposed to go off on another spiritual lecturing expedition in search of his "affinity." His Madison friends will please look after him a little.

The City Schools.

OFFICE OF BOARD OF EDUCATION,
Janesville, Aug. 27, 1860.

Messrs. Editors:—For the information of the public, I desire to state through your columns, that the next term of the city schools will commence on the 10th day of September next.

Persons residing out of the city, who desire to attend the schools are required to pay a tuition fee, which in the high school is \$5 per term, in the grammar department \$4, and in the different ward schools \$3 per term. In each of these departments, the fee must be paid in advance, else the scholar will be excluded. By a resolution of the Board of Education, this rule will be rigidly enforced.

Very respectfully,
JAMES ARMSTRONG,
Ck. Board of Education.

For the Daily Gazette.

Crops in Clinton.

Editors GAZETTE:—In your weekly issue of Aug. 24th, you asked for the opinion of farmers in Rock county, in relation to the crops of this season. In this town the work of threshing has made some progress—enough to enable us to arrive at accurate conclusions in regard to the quantity of grain produced per acre.

I have made inquiry among my brother farmers, and the universal verdict is that wheat in this town will average twenty-five bushels per acre, estimated at the lowest figure. I have heard of some falling below twenty, while many fields yield thirty, and occasionally a field of "virgin soil," favored with good cultivation and the proper amount of seed, has measured out forty bushels. The berry is very plump and healthy.

The yield of oats will be fifty bushels and upwards; but it does one good to behold the fields of corn now ripening in this region—a heavy, healthy growth, the ears already hanging down filled to their very tips. Two weeks more of the present fine weather will put nearly every field beyond the reach of injury by frost.

Potatoes will be an average crop. Our young orchards are just beginning to bear, and as this is a bearing year, we will be comparatively well supplied with substantial fruit.

In politics, it is all on one side—no opposition enough to create any sensation. "Honest Old Abe" is the watch-word and reply.

Yours truly,
D. G. CHEEVER.

Our merchants and business men are preparing for a large trade during the fair week after next. We have filled many orders for printing for the occasion, and are ready for more. Bring in your orders early, and be sure of your work in season.

Mr. Thomas Rooney will accept the thanks of the employees in this office for a couple of fine water melons, left with them this morning. They can appreciate such favors. Who's the next donor?

REPUBLICAN MEETING AT AFON.—There will be a republican meeting at Afon on Wednesday evening, the 1st of September. Messrs. CASSIDAY and SIOX will address the people. We understand that the Wide Awakes of this city have received an invitation, and we hope they will consent to attend. Republicans and others of the vicinity are invited to be present. We hope there will be a general turnout.

PAINTED DANDIES AT SARATOGA.—Barleigh, the gossip correspondent of the Boston Journal, writing from Saratoga Springs, says: "The dresses of the ladies are very sumptuous this season. Much jewelry, gold beads, bracelets, and other flashy ornaments are worn. The ladies paint much; but this year they do not have it all to themselves. Young exquisites resort to the white and red paint, and the indignation of the ladies at this encroachment on their domain is vehement."

EXTRAORDINARY YIELD.—OAT BE BEAT.—Mr. Booth, of Springfield, threshed the product of 2 acres, which yielded 175 bushels—58 bushels to the acre. We hear of other places going as high as 45 and 48, and judge that the average wheat crop of the prairie lands in this county will not fall short of 25 bushels to the acre.—Elkhorn Independent.

CORRECTION.—The passenger train on the Galena and Chicago Union road leaves Janesville at 10:05 A.M., instead of 10:45 as we stated in Saturday's issue.

COUNTY FAIR.—This fair will be held on the 18th, 19th and 20th days of September.

DIPOCRATIC CAUCUS.—A typographical error in the call of the democratic caucus to appoint congressional delegates from this city, made the time of meeting Monday, August, 24th. The caucus will be held this evening, at 7 o'clock, at the court room.

Life Insurance.

Those desiring this safe and cheap protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state. While duty demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented" we would cordially invite all our clients to call at the office, southwest corner of 3rd and Wisconsin streets, and examine for themselves.

S. S. DAGGITE, President.
A. W. KELLOGG, Secretary.
Messrs. PIERCE & HADLEY, insurance dealers, and Capt. Geo. S. Dodge will receive applications for insurance from this house company, and will also be happy to give information as to the conditions thereof, to any one desiring of being informed, in Janesville.

COMMERCIAL.

Janesville Wholesale Market.

Reported for the Janesville Gazette, by
BUMP & GRAY,
GRAIN AND PRODUCE DEALERS.

JANESVILLE, August 27, 1860.

The wheat market under news of a dull day at the lake shore, was less active to-day. We note a falling off of 50c per bushel on Saturday's figures. Sales of about 4500 bushels at 75c for milling spring, and 72c for shipping, closing steady. Coarse grains in demand at previous quotations. Receipts light.

We make up prices as follows:
WHEAT—white winter 70c; good to choice milling spring 75c; common to fair shipping 72c.

OATS—wanted at 16c for bushel.

BARLEY—wanted at 25c for bushel. For 20c for 10 bushels.

RYE—fair request at 37c for 100 lbs.

POTATOES—wanted at 25c for bushel.

BUTTER—rather scarce at 12c.

EGGS—owing to a better supply have declined to 50c per dozen.

HIDES—Green, 6 to 6 1/2; Dry, salted, 10; Dry, flint, 12 to 15.

POULTRY—chickens, 6c; turkeys, 7c.

WOOL—ranges at 25c for pound for common to best clip, with but very little coming forward.

Chicago Market.

Saturday Evening, August 25.

Wheat opened very firm and becoming buoyant an advance of 1c was gained over yesterday's outside quotations—the market, however, closing rather tame, with sellers for next week's delivery at 1c below to-day's ruling figures. About 125,000 bushels were sold at 84c for No 1 spring, 80c for No 2 spring, and 74c for No 3 spring, closing at about the inside quotations. About 50,000 bushels were also sold for delivery next week, selling at 77c for No 2 in store, about 45c for No 1, and 40c for No 3.

Barley, 40c for No 1.

Milwaukee Market.

Saturday Morning, August 25.

Wheat market firm, with an advance of fully 2c above the ruling quotations of yesterday. No 1 spring bringing 84c in store; No 2, 80c; and milling samples 80c delivered. There was an active demand for all that was offered at these prices. Oats 20c, Rye 42c 40, Barley 40, scarce.

Madison, Tuesday,	" 10,

A letter has been received in this city from Mr. Coddling himself confirming the appointment as to Janesville. The republican city club have the matter in charge, and we presume there will be no failure in his appearance.

Our worthy associate, who took a prominent part in the "indignant husband's meeting," attempted to go to Madison after his wife on Saturday, but arrived at the depot just in time to see the receding train vanish out of his sight. He was obliged to wait till to-day, and to make sure of the train he went up the depot two hours ahead of the time. He left in a very excited state of mind, and it is possible he may be disposed to go off on another spiritual lecturing expedition in search of his "affinity." His Madison friends will please look after him a little.

The City Schools.

Office of Board of Education,

Janesville, Aug. 27, 1890.

Messrs. Editors:—For the information of the public, I desire to state through your columns, that the next term of the city schools will commence on the 10th day of September next.

Persons residing out of the city, who desire to attend the schools are required to pay a tuition fee, which in the high school is \$5 per term, in the grammar department \$4, and in the different ward schools \$3 per term. In each of these departments, the fee must be paid in advance, else the scholar will be excluded. By a resolution of the Board of Education, this rule will be rigidly enforced.

Very respectfully,
JAMES ARMSTRONG,
Clk Board of Education.

For the Daily Gazette.
Crops in Clinton.

Editors GAZETTE:—In your weekly issue of Aug. 24th, you asked for the opinion of farmers in Rock county, in relation to the crops of this season. In this town the work of threshing has made some progress—enough to enable us to arrive at accurate conclusions in regard to the quantity of grain produced per acre.

I have made inquiry among my brother farmers, and the universal verdict is that wheat in this town will average twenty-five bushels per acre, as estimated at the lowest figure. I have heard of none falling below twenty, while many fields yield thirty, and occasionally a field of "virgin soil," favored with good cultivation and the proper amount of seed, has measured out forty bushels. The berry is very plump and healthy.

The yield of oats will be fifty bushels and upwards; but it does one good to behold the fields of corn now ripening in this region—a heavy, healthy growth, the ears all ready hanging down filled to their very tips. Two weeks more of the present fine weather will put nearly every field beyond the reach of injury by frost.

Potatoes will be an average crop. Our young orchards are just beginning to bear, and as this is a bearing year, we will be comparatively well supplied with substantial fruit.

In politics, it is all on one side—not opposition enough to create any sensation—"Honest Old Abe" is the watch-word and reply.

Yours truly,
D. G. CHEEVER.

Our merchants and business men are preparing for a large trade during the fair week after next. We have filled many orders for printing for the occasion, and are ready for more. Bring in your orders early, and be sure of your work in season.

Mr. Thomas Rooney will accept the thanks of the employees in this office for a couple of fine water melons, left with them this morning. They can appreciate such favors. Who's the next donor?

REPUBLICAN MEETING AT AFTON.—There will be a republican meeting at Afton on Wednesday evening, the 1st of September. Messrs. CASSIDAY and STOKES will address the people. We understand that the Wide Awakes of this city have received an invitation, and we hope they will consent to attend. Republicans and others of the vicinity are invited to be present. We can hope there will be a general turn-out.

PAINTED DANDIES AT SARATOGA.—Burlington, the gossip correspondent of the Beacon Journal, writing from Saratoga Springs, says:
The dresers of the ladies are very sumptuous this season. Much jewelry, gold buttons, and other flashy ornaments are worn. The ladies part much; but this year they do not have it all to themselves. Young acquiescent resort to the white and red paint, and the indignation of the ladies against such ornament on their domain is vehement.

EXTRAORDINARY YIELD.—Can't be beat. Springfield, Mo., has produced the product of a acre, which yielded 175 bushels—68 bushels to the acre. We hear of other places going as high as 45 and 48, and judge that the average wheat crop of the prairie lands in this country will not fall short of 83 bushels to the acre.—Elkhorn Independent.

CONNECTION.—The passenger train on the Galena and Chicago Union road leaves Janesville at 10:05 A. M. and arrives at 10:45 A. M. as we stated in Saturday's issue.

COUNTY FAIR.—This fair will be held on the 18th, 19th and 20th days of September.

DEMOCRATIC CAUCUS.—A typographical error in the call of the democratic caucus to appoint congressional delegates from this city, made the time of meeting Monday, August, 24th. The caucus will be held this evening, at 7 o'clock, at the court room.

Life Insurance.

Those desiring this safe and cheap protection for their families, can secure it in our Wisconsin company. It has already become, in reality, a state institution, having agents and patrons among the best business men in all the principal towns in the state. It is no longer a matter of doubt that life insurance can be conducted as well in Wisconsin as in Connecticut or any other eastern state.

While daily demands that men should insure their lives, it also demands that they should keep their money for investment at home. Confident that our success has been more than equal to that of the most "unprecedented," we would cordially invite all our citizens to call at the office, southwest corner of Main and Wisconsin streets, and examine for themselves.

A. W. KILGUS, Secretary.

Messrs. Fisk & Hallow, brokers, dealers, and Capt. Geo. R. Dodge will receive applications for insurance in this home company, and will also be happy to give information as to the conditions, terms, to any one desirous of being insured, in Janesville.

LOCAL DEPARTMENT.

Temperance Meeting.

Messrs. Editors:—The Janesville Total Abstinence League had a very spirited meeting at the Methodist Episcopal church last evening. The corresponding secretary, on behalf of the committee which had been previously appointed to take into consideration the expediency of forming a juvenile temperance society, reported that he had written to the Hon. S. D. Hastings for information in regard to the "Band of Hope." Mr. Hastings' reply was then produced and read. In an earnest, warm-hearted and characteristic manner he urged the formation of a Band of Hope in connection with our temperance movement, and the League instructed its executive committee to take the necessary steps for the formation of such an organization.

At its last meeting the League instructed its executive committee to district and canvass the city, in order to obtain signatures to the pledge; but the committee reported that they deemed it expedient to defer that measure for the present. They propose, however, to enter upon that duty before long, and it is hoped that our citizens will give the canvassers a candid and respectful hearing, even if they are not inclined to yield to their solicitations.

A spirited discussion ensued upon the following resolution:

Resolved, That the legislature ought not to authorize the granting of licenses for the sale of intoxicating liquors as a beverage.

At the height of the interest in the debate, it was announced that it had commenced raining, and the meeting adjourned for two weeks. On Monday, Sept. 10th, the discussion will be resumed, and it is hoped that there will be even a larger attendance than there was last night.

It may be stated, and not disputed, that the discussion of this and other resolutions will not be confined to the members of the League, but that all, whether sympathizing with this temperance movement or not, are invited to participate, only observing the courtesies which are appropriate to the place and the occasion. Let us then have a good turn out, and a lively discussion at the next meeting.

For the Daily Gazette.

"SEARCH THE SCRIPTURES."—Yes, ye members of the committee on resolutions, search them as long as you please, and you will find no passage like that to which you refer, when you say—"that scriptural duty which requires a woman to forsake all others and cleave to her husband alone."—This command is given to husbands. And why did you not cleave to your wives, instead of permitting them to go off alone? Please do not quote scripture without a greater familiarity with its contents. If we are wrong, please correct.

MANY WIVES.

SEATS AT THE NATIONAL HORSE SHOW.—The executive committee of the national horse show and ladies equestrian fair having examined the seats prepared inside the enclosure for the accommodation of visitors, we understand they give their opinion that these seats are safely constructed, and that no danger need be apprehended in filling them to their utmost capacity. Mr. Lovejoy has performed his work in a very creditable manner, and the proprietor has not spared expense in furnishing sufficient material of the right kind to ensure the safety of the occupants.

MEETING AT AFON.—The republican meeting at Afon at which Messrs. Sloan Cassaday are announced as speakers will be held to-morrow evening. An error occurred in the call as published yesterday, which is corrected in to-day's paper.

THE NEW YORK BARGAIN AND SALE.—The Baltimore Patriot, the Bell organ of Maryland, continues to expose day after day the infamous nature of the attempted fusion in New York, the exposures having a very disastrous effect upon the Bell interest in Maryland, especially as the country papers supporting Bell are generally taking the same view.

THE GRAND TRUNK, New York Central, New York and Erie, Pennsylvania Central and Baltimore and Ohio railroads, have recently had a convention, in which they agree upon a reduction of free passes. No passes are to be issued for the purpose of influencing business upon the road, or to editors or reporters of newspapers, except to those who reside on the line of the road, and to them trip passes only will be granted. The various ticket offices in all the large cities are to be consolidated.

LAKE FREIGHTS.—The Milwaukee Sentinel of yesterday says that freights are very unsettled, with a strong downward tendency. The highest figure paid was 15c for wheat to Buffalo in the beginning of the week. To-day vessels are offering freely at 12c to Buffalo and 18c to Oswego, but we have heard of no engagements. The rates on flour are 50c to Buffalo and 80c to Ogdensburg by water; \$1.00 by rail to New York, and \$1.15 to Boston, but they are liable to change at any time. To-day 500 bbls flour were contracted to Portland at 90c via D. M. Railway.

The price of grain will, this fall, depend very much upon the rate of freights on the lakes. It seems that within a few days it has declined, and this, in connection with a firm eastern market has caused an advance in prices of wheat.

RECEIPTS AT MILWAUKEE.—The receipts of wheat at Milwaukee last week were 155,091 bushels, against 55,985 the week previous. In 1869 it was, for the corresponding weeks, 50,284 and 14,016 bushels—quite a heavy increase.

REPUBLICAN MEETING AT AFON.—There will be a republican meeting at Afon on Wednesday evening, the 29th of August. Messrs. Cassaday and Sloan will address the people. We understand that the Wide Awakes of this city have received an invitation, and we hope they will consent to attend. Republicans and others of the vicinity are invited to be present. We hope there will be a general turn-out.

Republican Club Meeting.

Mr. Ichabod Godding of Illinois, will address the republican club on FRIDAY EVENING, Aug. 31st at the Court Room. Mr. Godding is one of the most effective speakers in the west, and is well and favorably known in this vicinity, and we bespeak for him a full house. Come one, come all, and listen to this able champion of freedom.

Payment of the Andrew loss at Delavan, Wis., by the Phoenix Insurance Company of Hartford.

MILWAUKEE, Wis., July 28th, 1860.

I take pleasure in stating that I have this day received from the Phoenix Insurance Company of Hartford, Conn., through the agent in this city, the sum of \$700.00, in full of the full amount covered by policy issued by them to Mr. G. W. Andrews, to cover property of his situated in Delavan, Walworth county, Wisconsin, which property has since been totally destroyed by fire.

I cheerfully recommend the "Phoenix" to the patronage of this community, not only because its obligations to me have been fulfilled, but from the fact that I feel satisfied of the solvency and reliability of the institution, and I believe that in the adjustment and payment of losses its officers are disposed to act fairly and impartially, looking alike to the interests of the assured and the insured, and dealing justly by both.

I am now a "Phoenix" policy holder, and I hope I may long continue to be one, being satisfied that in this well known company I shall always find reliable indemnity.

JANESVILLE, AUGUST 28, 1860.

Receipts of wheat were large to-day and prices, under favorable advice from the lake shore, advanced fully 8c per bushel on all grades. Early sales ranged at 75¢ to 78¢ for common to choice samples, but about 11 o'clock, when despatches were received showing an excited market at the lake shore, buyers pitched in right earnest and prices rose to 80¢ and 81¢. The market was then closed, and some cases for really choice samples. The market was closed, however, less active, buyers seeming indisposed to pay more than 75¢ to 76¢ for common to best lots. About 6000 bushels changed hands at the above figures.

We make up prices as follows:

WHEAT—white winter 75¢; good to choice milling spring 76¢; common to fair shipping 74¢.

OATS—wanted at 16¢ per bushel.

CORN—shelled at 23¢ per 60 lbs. Ear 20¢ per 100 lbs.

RYE—in fair request at 37¢ per 60 lbs.

BARLEY—ranging from 22¢ to 25¢ per 60 lbs, for common to fair.

POTATOES—plenty at 20¢ per bushel.

EGGS—owing to a better supply have declined to 50¢ per dozen.

HIDES—green, 5 to 6¢; Dry, salted, 10¢; Dry, flint, 12 to 13¢.

POULTRY—spring at 25¢, per 100 lbs.
